Enjoy First-Class Golf

Fripp Island offers two championship golf courses. Practice facilities are located at both courses and include a driving range, chipping area, practice bunker, and putting green. Each course also offers a variety of tournaments and other special events throughout the year. Contact the pro shops for tournament sign-ups and schedule.

Ocean Creek Golf Course

is PGA Champion Davis Love III's first signature course. Four distinct rolling dune lines provide major design elements with ridges climbing as high as 15 feet as they corkscrew across the fairways. Salt marshes and native wetlands also play a key role in the playability and character of Ocean Creek.

843-838-1576

Ocean Point Golf Links

was designed by George W. Cobb and is a seaside masterpiece with dramatic views of the Atlantic. "The Point" celebrated its 40th birthday with a major renovation. The Atlantic Ocean and its constant breezes affect the look, feel and play of almost every hole.

Private Lessons

Private lessons may be scheduled at either course and run for 30-40 minutes. Packaged or series lessons are available upon request. For information or to schedule a lesson, please contact the Director of Golf at 838-1576.

***MEET THE ANIMALS**

Because of current social distancing guidelines and concerns of germ spread, Meet the Animals will run differently this year. There will be times each day when Naturalists will be available with an animal. After sanitizing, guests will be allowed to touch, (immediately sanitizing afterwards) but not hold the animals. We are using an overabundance of caution for both our guests and our Activity Center animals. We appreciate your understanding.

Reservations are suggested for most programs. Programs are subject to change and many are based on weather conditions. If you are unsure about a program, please call Excursions, the Activity Center, Racquet Club or Golf Courses to confirm the times and availability of programs.
